boyfriends buddies married FwB lovers
hanging out dating hooking up doing it

testing together for HIV

Learn your HIV status
together with your partner!
With testing together you
don't have to talk about
anything you don't want to
discuss in front of your
partner – we don't go there.

Talk with your partner and
contact your healthcare
provider to schedule an
appointment or learn the
best time to come in for
testing together.
